2. Do not be afraid; Believe in me.  
Arise little one now from your sleep.  
Do not be afraid; Believe in me,  
Arise little one; your life restored.
3. Jesus, loving Lord, we trust in you,  
for you have the words of eternal life.  
Jesus, loving Lord, we trust in you,  
So call us into life with you for ever.
