

St. Mary's Call to Life

**1. Loving God today we thank you, as we rejoice,
That a woman, one like us, so clearly heard your voice.
Not for just a few, this call to life in God
Let Mary's call, be sung for all.**

Refrain:

**Choose life, choose life! With Jesus shape the world;
His call to use our hands and hearts in reaching out to all.
So let's sing out praise, together as one,
And through Mary's eyes, make God's kingdom come.**

**2. As she journeyed long on country roads from east to west,
Everywhere her joy to find in hearts God taking rest.
For she saw in every face the eyes of God.
Let Mary's call - be sung for all.**

**3. May we too take up the challenge to make God real
In a world where human hopes are crushed, or brought to heel.
For God's mercy reaches still from age to age!
Let Mary's call - be sung for all.**

**4. Other eyes shared Mary's vision of a new land
Where the young and margined poor were served with willing hands.
'Never see a need without an answer'ing deed!'
Let Mary's call - be sung for all.**
