

To all the world

1. May the road rise up to meet you.

May the wind be at your back.

May the Lord ever hold you in the hollow of his hand.

With the sunshine at your shoulder,

May the Spirit make you bolder

To be the heart of God for all the world.

Refrain: Carry your love

Carry your love

Carry your love to the world.

2. You can mend the broken spirit;

Take hold the trembling hand.

Be the heart and word of God

For all who've lost their way.

May they see in your self giving

Deeper reason here, for living

To shed the tears of Christ for all the world.

3. Though your road sometimes is stony,

And you find the going hard,

And the darkness all around seems overwhelming,

With the hand of God to guide you,

No darkness need you fear.

Your life, the light of Christ to all world.

Your life, a candlelight into the world.
